Dear Praying Friends,

Another list is being sent to those of you who pray one for another. Thank you again this year for your consistency with the prayer list. We have been in several churches where the church or churches to be prayed for that week is announced and/or put in the bulletin. I count it a privilege to be able to do this and really appreciate the encouraging responses to the idea we receive from those who participate.

There are changes again this year with a couple of new churches added in the country as well as a couple more missionaries. In making the list this year, I have attempted to contact some churches that have changed their pastor to make sure they still wish to participate with positive responses among those with whom I was able to communicate. However, it has been difficult and nearly impossible to contact several churches/pastors. I am going to persist with some and may contact several of you this year anyway just to see how things are moving with you.

Most pastors allow me to send this to them by email which saves us a lot of time, effort and expense. Thank you for those who are able to receive the list and print it or somehow use it through that medium. If perhaps you do receive it by email and lose it or misplace it and need me to send it again, just email me or text me and I will get to it as quickly as possible.

Prayer seems to be even more necessary as we near the closing of the age. Since our nation appears to be heading for more turmoil and trouble, it stands to reason that we need to seek the Lord for His mercy and power to get folks saved. And praying for the church to be sustained and strengthened always fills a need. Should you have a particular concern or situation to be prayed for during the week your church is listed to be prayed for, please contact me about it and I may be able to contact some churches and let them know. I do receive texts as long as there is identification of some sort. And email works since living on the road requires attention to it for practical purposes.

By His Grace and for His Glory,
Thomas Bard
